Aditya Halder

Undergraduate BCA at The Neotia University | Python
Kolkata, West Bengal, India

Summary

I am a second-year BCA student with a focus on Data Science, specializing in Python, PHP & MySQL, and Cyber Security. My academic journey equips me with skills in data analysis, manipulation, and visualization, enabling me to derive data-driven insights to tackle real-world challenges. With a strong foundation in advanced programming and cyber security, I am dedicated to building a career as a Data Scientist, aiming to contribute to innovative solutions that make an impact. Currently, I am based in Kolkata and open to opportunities where I can apply my skills and continue learning in the dynamic field of data science.
